

Hyper Cable N-SERIES USB-C to USB-C 240W™

USB cable

User manual

EN

Contents of the package:
- Hyper Cable N-SERIES USB-C to USB-C 240W™
- Instruction manual

Technical specification:
- Model name: Hyper Cable N-SERIES USB-C to USB-C 240W™
- Model number: CCB1240B
- Colour: Black
- Connector type: USB-C / USB-C
- Length: 1 m
- Maximum current: 48V/5A
- Maximum power: 240W
- Functions: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminum alloy ends

How to use:

1. **Check compatibility**

Ensure that the devices you want to connect have a USB-C port.

2. **Connection**

Insert one end of the cable into the appropriate port on the device (e.g., charger or laptop).

Connect the other end to the second device (e.g., smartphone, tablet, power bank).

3. **Power and data transfer**
- Charging: The cable supports fast charging up to 240W – ideal for daily use.
- Data transfer: Devices may require confirmation of transmission, e.g., on the phone screen.

4. **Disconnection**

Always disconnect the cable by grasping the end – never the cable itself.

Safety warnings
- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged ends.
- Keep out of reach of children – risk of swallowing or electric shock.
- Do not overload the cable – use it according to specifications.
- Disconnect the cable when not in use.

Maintenance and storage
- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the wire.
- Regularly check the condition of the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in shortened lifespan or damage, and any resulting damage is not covered by the warranty or liability of the manufacturer. The warranty covers manufacturing defects and material flaws. The manufacturer's warranty is 24 months.

Disposal and recycling information

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be handed over to designated waste collection points set up by local authorities at the end of their operational life. This ensures that WEEE waste is recycled and processed in a way that protects valuable materials and human health and the environment.

Declaration of conformity

Hereby, 3mk Protection declares that the product is in compliance with the relevant community harmonization legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following URL (3mk.global/manual).
