Contents of the set:

- Hyper Cable N-SERIES USB-C to USB-C 180° 100W™
- User manual

Technical specifications:

- Model name: Hyper Cable N-SERIES USB-C to USB-C 180° 100W™
- Model number: Black : CCB1100WK
- Colour: Black
- Connection type: USB-C to USB-C
- Length: 1 m
- Maximum current: 20V/5A
- Maximum power: 100W
- Features: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braided + aluminum alloy connectors

Usage instructions:

1. **Check compatibility**

Ensure that the devices you want to connect have a USB-C port.

2. **Connecting**

Insert one end of the cable into the appropriate port on the device (e.g., charger or laptop).

Connect the other end to the second device (e.g., smartphone, tablet).

3. **Power and data transfer**

- Charging: The cable supports fast charging up to 100W – ideal for everyday use.
- Data transfer: Devices may require confirmation for the transmission, e.g., on the phone screen.

4. **Disconnecting**

Always disconnect the cable by holding the connector – never pull on the cord.

Safety warnings

- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – possible risk of swallowing or electric shock.
- Do not overload the cable – use it according to specifications.
- Disconnect the cable when not in use.

Maintenance and storage

- Store the cable in a dry, cool place.
- Avoid excessive bending or twisting of the cord.
- Regularly inspect the cable for damage.

Warranty:

Improper use or incorrect placement of this product by users may result in a shortened lifespan or damage, and any resulting damages are not covered by the warranty or are not subject to the manufacturer's liability. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is 24 months.

Disposal and recycling information:

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be handed over to designated waste collection points after the end of their lifecycle. This ensures that WEEE waste is recycled and processed in a way that protects valuable materials and human health and the environment.

Declaration of conformity:

Hereby, 3mk Protection declares that the product is in compliance with the relevant EU harmonization legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
