User Manual:

Unless the user manual of the devices you want to charge explicitly states otherwise, proceed as follows:

Connect the terminal device to the USB charging socket using the fully compatible USB-C cable included in the set.

Plug the charger into a properly installed and easily accessible power outlet.

The charging progress is displayed on your terminal device.

Disconnect the terminal device from the charger if you want to interrupt charging or if the terminal device is fully charged. Then disconnect the charger from the mains.

Warnings:

Protect the product from dirt, moisture, and overheating and use it only in dry rooms. Do not drop the product or expose it to severe shocks. Do not use the product beyond the power limits specified in the specifications. Do not modify the device in any way. Such actions void the warranty. Do not continue to use the device if it becomes visibly damaged. Use the product only as intended. Keep this product, like all electrical products, out of the reach of children! Do not use the product in the immediate vicinity of heaters or other heat sources or in direct sunlight. The product is intended for indoor use only. Do not use the product in places where the use of electronic devices is prohibited.

Warranty:

Improper use or incorrect placement of this product by users may result in shortened lifespan or damage, and any resulting damage is not covered by the warranty or is not the manufacturer's responsibility. The warranty covers factory defects and material defects. The manufacturer's warranty is 24 months.

Disposal and Recycling Information:

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be taken to designated waste collection points appointed by local authorities at the end of their life cycle. This ensures that WEEE waste is recycled and processed in a way that protects valuable materials and safeguards human health and the environment.

Declaration of Conformity:

Hereby, 3mk Sp. z o.o. declares that this product complies with the relevant harmonised community legislation 2014/53/EU; 2011/65/EU. The full text of the declaration of conformity is available at the following internet address (3mk.global/manual).
