Contents of the set:
- Hyper Cable N-SERIES USB-C to Lightning 27W™
- User manual

Technical specifications:
- Model name: Hyper Cable N-SERIES USB-C to Lightning 27W™
- Model number: CLW0127W
- Colour: White
- Connector type: USB-C / Lightning
- Length: 1 m
- Maximum current: 9V/3A
- Maximum power: 27W
- Functions: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminum alloy connectors

Instructions for use:

1. **Check compatibility**

Ensure that one of the devices has a USB-C port and the other has a Lightning port (e.g., iPhone, iPad, AirPods).

2. **Connection**

Insert the USB-C connector into a charger, laptop, or other power source.

Connect the other end (Lightning) to the Apple device.

3. **Power and data transfer**
- Charging: Using a compatible USB-C charger, the device will begin fast charging (up to 27W).
- Data transfer: The cable supports file synchronization with computers equipped with USB-C ports.

4. **Disconnecting**

Always disconnect the cable by holding the connector – never by the cable itself.

Safety warnings:
- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this risks voiding the warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – possible risk of swallowing or electric shock.
- Do not overload the cable – use according to specifications.
- Disconnect the cable when not in use.

Maintenance and storage
- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cable.
- Regularly check the condition of the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in reduced lifespan or damage, and any resulting damage is not covered by warranty nor does it exempt the manufacturer from liability. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is 24 months.

Disposal and recycling information

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be handed over to designated waste collection points set by local authorities at the end of their life cycle. This ensures that WEEE waste is recycled and processed in a manner that protects valuable materials and human health and the environment.

Declaration of conformity

Hereby, 3mk Protection declares that this product complies with the relevant Community harmonization legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
