Warranty

Improper use or incorrect placement of this product by users may result in shortened lifespan or damage, and any damage resulting from this is not covered by the warranty or the manufacturer's liability. The warranty covers factory defects and material flaws. The manufacturer's warranty is 24 months.

Disposal and Recycling Information

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be handed over to designated waste collection points set by local authorities at the end of their operational life. This ensures that WEEE waste is recycled and processed in a manner that conserves valuable materials and protects human health and the environment.
