Precautions:

1. The product should not be disassembled or modified.
2. The product should not be stored in a location with high humidity.
3. The product should be kept away from heat sources.
4. In case of damage to the product, do not expose it to water or other liquids.

Usage:

Two mounting options:

1. Using MagSafe technology
- attach the magnetic ring to the MagSafe area of the smartphone.
2. Mounting using the silicone cap - place the cap on the MagSafe ring and attach the phone (option for smartphones sized 6.1").

Additional tripod option:

Open the HARDY® MagSelfie Stick™ from the bottom and secure it on a stable horizontal surface to enjoy the functionality of the tripod.

Replacing the remote battery:

Remove the back cover of the remote to replace the battery (CR 1632).

*Before first use, remove the insulator from the remote.

Bluetooth pairing:

Turn on the power by long-pressing the power button for 3 seconds, then enable Bluetooth on your phone to enter search mode, and click "HARDY MagSelfie" in the searched devices. Once connected, the green light on the remote

will turn off.

Warranty:

Improper use or incorrect placement of this product by users may result in a reduced lifespan or damage, and any resulting damage is not covered by the warranty or the manufacturer's liability. The warranty covers manufacturing defects and material flaws. The manufacturer's warranty is 24 months.

Disposal and recycling information:

This symbol on the product, battery, documentation or packaging indicates that products and batteries should be handed over to designated waste collection points specified by local authorities after the end of the service life. This ensures that WEEE waste is recycled and processed in a way that protects valuable materials and human health and the environment.

Declaration of conformity:

Hereby, 3mk Sp. z o.o. declares that this product is

compliant with the relevant EU harmonisation legislation 2014/53/EU; 2011/65/EU. The full text of the declaration of conformity is available at the following web address (3mk.global/manual).
