Contents of the set:

1. Hyper Cable USB-A to Micro™
2. User manual

Technical specifications:

- Model name: Hyper Cable A to Micro™ 1.2m 5V 2.4A™
- Model number: **White: AM-012W/Black: AM-012B**
- Plug type: USB-A / USB-Micro
- Cable length: 1.2m
- Supported protocols: Charging + data transfer 12W
- Maximum voltage: 5V
- Maximum current: 2.4A
- Colour: White / Black
- Material: PVC
- Data transfer standard compatibility: USB 2.0

How to use:

1. Check compatibility: Make sure the ends of the cable fit the ports of the devices you want to connect.
2. Connecting
 - Insert one end of the cable into the appropriate port on the first device (e.g., computer, charger).
 - Connect the other end to the port on the second device (e.g., phone, tablet).
3. Power supply and data transfer

- Charging: Once connected, the device should automatically start charging.
 - Data transfer: If the cable supports data transmission, connected devices may require additional approval for the transfer (e.g., on the phone screen).
4. Disconnecting
After use, gently remove the plugs from the devices, gripping the ends of the cable, not the wire itself.

Safety warnings:

1. Do not use in high humidity areas: risk of electric shock.
2. Do not use the product in proximity to heaters or other heat sources or in direct sunlight: risk of overheating.
3. Do not modify the device in any way. Such actions void the warranty.
4. Use the product only for its intended purpose.
5. Keep out of reach of children: risk of choking or electric shock.
6. Dispose of packaging material according to local regulations.
7. Do not use the product in places where the use of electronic devices is prohibited.
8. Avoid contact with water: risk of electric shock or short circuit.
9. Do not attempt to service or repair the product yourself. All service work should be entrusted to qualified experts.

Maintenance and storage:

1. Store the cable in a dry and cool place.
2. Avoid excessive bending or twisting of the wire.
3. Regularly check the condition of the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in reduced lifespan or damage. Any resulting damage is not covered by the warranty and does not fall under the manufacturer's liability. The warranty covers factory defects and material flaws. The manufacturer's warranty period is 24 months.

Disposal and Recycling Information

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be taken to designated waste collection points assigned by local authorities at the end of their operational life. This ensures that WEEE waste is recycled and processed in a way that preserves valuable materials and protects human health and the environment.

Declaration of Conformity
