### Set contents:

- Hyper Cable N-SERIES USB-A to Lightning 12W™
- User manual

### Technical specifications:

- Model name: Hyper Cable N-SERIES USB-A to Lightning 12W™
- Model number: ALB112B
- Colour: Black
- Connector type: USB-A / Lightning
- Length: 1 m
- Maximum current: 5V/2.4A
- Maximum power: 12W
- Functions: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminium alloy connectors

### How to use:

#### 1. Check compatibility

Check if the devices have USB-A (charger/computer) and Lightning (iPhone, iPad) ports.

#### 2. Connecting

Insert the USB-A end into the power source.  
Connect the Lightning end to the Apple device.

The connected devices should start charging or transferring data.

### 3. Disconnecting

Always disconnect the cable by holding the connector – never the wire.

### Safety warnings

- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – risk of swallowing or electric shock.
- Do not overload the cable – use it according to the specifications.
- Disconnect the cable when not in use.

### Maintenance and storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the wire.
- Regularly check the cable for damage.

### Warranty

Incorrect use or improper placement of this product by users may result in reduced lifespan or damage, and any resulting damages are not covered by warranty or are not exempt from the manufacturer's liability. The warranty

covers manufacturing defects and material flaws. The manufacturer's warranty is 24 months.

### Disposal and recycling information

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be handed over to designated waste collection points after their service life has ended. This ensures that WEEE waste is recycled and processed in a way that conserves valuable materials and protects human health and the environment.

### Declaration of conformity

Hereby, 3mk Protection declares that the product complies with the relevant community harmonisation legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website ([3mk.global/manual](http://3mk.global/manual)).
