2. Specification

Model name: 3mk Solid Stand™

Model number: 3MK-SSS-360 (silver)/3MK-SSB-360 (black)

Material: aluminum alloy + silicone pads

Color: Silver/black

Compatibility: laptops up to 17"

Maximum load: 15 kg

Product weight: approx. 1.7 kg

Dimensions:

- **top platform:** approx. 26 × 21.5 cm
- **base:** approx. 24.5 × 19.5 cm
- **height adjustment:** approx. 4.5–30 cm

Features:

- foldable design
- height and tilt angle adjustment
- 360° rotation feature
- anti-slip silicone pads
- open design supporting laptop cooling

Use: for indoor use

3. Usage instructions

1. Place the stand on a stable and flat surface.
2. Set up the structure and adjust the appropriate height and angle.
3. Place the laptop on the protective silicone pads.
4. If needed, rotate the stand using the 360° rotation feature.

4. Important information and safety warnings

- Use the product only on a stable and flat surface.
- Do not exceed the maximum load of the product.
- Do not sit or stand on the product.
- Be cautious while folding and adjusting the product to avoid pinching fingers.
- The product is not a toy. Keep out of reach of children.
- Protect the product from excessive moisture and direct exposure to high temperatures.

5. Maintenance and cleaning

- Clean the product with a soft, dry, or slightly damp cloth.
- Do not use aggressive chemicals or abrasive materials.
- Do not immerse the product in water.

6. Disposal and recycling information

The product must be disposed of according to local waste regulations. Packaging materials should be taken to appropriate recycling points.

7. Warranty

The manufacturer's warranty is 24 months and covers only manufacturing and material defects of the product. Improper use, overloading the product, or failure to comply with safety rules may result in damage to the product and is not covered by the manufacturer's warranty.
