USB cable

User manual

EN

Set Contents:

- Hyper Cable N-SERIES USB-C to USB-C 60W™
- User manual

Technical Specification:

- Model name: Hyper Cable N-SERIES USB-C to USB-C 60W™
- Model number: CCB260B
- Colour: Black
- Connector type: USB-C to USB-C
- Length: 2 m
- Maximum current: 20V/3A
- Maximum power: 60W
- Functions: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminium alloy connectors

How to Use:

1. Check Compatibility

Make sure the devices you want to connect have a USB-C port.

2. Connecting

Insert one end of the cable into the appropriate port on the device (e.g., charger or laptop).

Connect the other end to the second device (e.g., smartphone, tablet, power bank).

3. Power and Data Transfer

- Charging: The cable supports fast charging up to 60W – perfect for everyday use.
- Data transfer: Devices may require transmission confirmation, e.g., on the phone screen.

4. Disconnecting

Always disconnect the cable by grasping the connector – never by the wire.

Safety Warnings

- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – possible risk of swallowing or electric shock.
- Do not overload the cable – use it according to specifications.
- Disconnect the cable when not in use.

Maintenance and Storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the wire.
- Regularly check the state of the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in a shortened lifespan or damage, and any resulting damages are not covered by warranty or are the manufacturer's liability. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is 24 months.

Disposal and Recycling Information

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be handed over to designated waste collection points after their useful life has ended. This ensures that WEEE waste is recycled and processed in a way that protects valuable materials and human health and the environment.

Declaration of Conformity

Hereby 3mk Protection declares that the product complies with the relevant EU harmonisation legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following internet address (3mk.global/manual).
