User Manual 3mk Bike Holder Pro

1. Product Description:

The Bike Holder Pro is designed to securely mount a smartphone on the handlebars of a bicycle, scooter, or motorcycle. It allows easy access to navigation and calls while riding. Not for use in extreme riding.

2. Set Contents:

- Bike Holder Pro
- Rubber adjustment pads
- User manual

3. Features:

- Universal fit for most smartphone models
- 360-degree rotation for optimal viewing angles
- Durable and weather-resistant materials
- Easy installation and removal
- Compatibility with bicycle, scooter, and motorcycle

4. Technical Specifications:

Model Name: Bike Holder Pro

Model: 3MKHPPRO

Colour: Black

Material: ABS

Purpose: Smartphone mounting holder

Handlebar Thickness: 16–35 mm

Rotation: 360°

5. Mounting the Holder:

1. Choose the installation location

Select an appropriate spot on the bicycle handlebars where the smartphone will be easily accessible and visible while riding.

2. Prepare the pads

Select the included rubber pads to perfectly fit the holder to the thickness of your handlebars (16–35 mm).

3. Attach the holder

Place the mounting mechanism around the handlebars. Tighten the screw until the holder is securely attached.

4. Check stability

After mounting, gently move the holder to confirm it is securely attached and does not rotate.

6. Usage:

1. Insert the smartphone

Open the holder arms by turning the knob counterclockwise (to the left). Place the smartphone in the holder, ensuring all sides are securely held.

2. Adjust the viewing angle

Rotate the holder head to achieve the preferred viewing angle. Tighten the knob at the mounting head clockwise (to the right) to lock the position.

7. Safety and Warnings:

- Never adjust the holder or insert the phone while riding – perform these actions only when stationary.
- Check the screw tightness and mounting stability before each ride.
- Improper mounting may damage the phone and void the warranty.
- The product is not intended for children.

8. Maintenance and Storage:

Periodically check the holder and mounting mechanism to ensure they are strong and secure. Clean the holder only with a damp cloth to remove dust and dirt. Do not use chemicals or solvents.

9. Warranty:

Improper use or incorrect placement of this product by users may result in shortened lifespan or damage, and any resulting damage is not covered by the warranty or the manufacturer's liability. The warranty covers factory defects and material faults. The manufacturer's warranty is 24 months.

10. Disposal and Recycling Information:

The product should be disposed of in accordance with local waste management regulations. At the end of its use, take the product to a selective waste collection point. Metal components are recyclable.
