Set contents:

- Hyper Cable N-SERIES 3-in-1 A to C/Micro/Lightning™
- User manual

Technical specification:

- Model name: Hyper Cable N-SERIES 3-in-1 A to C/Micro/Lightning™
- Model number: ACLMB118-3IN1
- Colour: Black
- Connector type: USB-A / Lightning / USB-C / microUSB
- Length: 1.2 m

Charging power:

USB-C :

- Maximum charging power: 18W
- Maximum current: 9V / 2A

Lightning:

- Maximum charging power: 12W
- Maximum current: 5V / 2.4A

Micro USB:

- Maximum charging power: 12W
- Maximum current: 5V / 2.4A
- Features: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminum alloy connectors

Instructions for use:

1. Check compatibility

Make sure the power source has a USB-A port. The cable enables charging of devices with the following ports:

- USB-C (e.g. smartphones, Android tablets)
- Lightning (iPhone, iPad)
- Micro USB (older phones, Bluetooth accessories)

2. Connection

Insert the USB-A end into the power source (charger, laptop, power bank).

Select the appropriate end (C / Lightning / Micro) and connect it to the device.

3. Power and data transfer

- Charging: Supports fast charging up to 18W (QC 3.0) (only through the USB-C connector) – suitable for everyday use.
- Data transfer: Data synchronization available only through the USB-C connector (USB 2.0, up to 480 Mbps)

4. Disconnection

Always unplug the cable by holding onto the connector – never by the cable.

Safety warnings

- Avoid contact with water – risk of electric shock.

- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged connectors.
- Keep out of reach of children – risk of swallowing or electric shock.
- Do not overload the cable – use it according to the specifications.
- Unplug the cable when not in use.

Maintenance and storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cable.
- Regularly check the cable for signs of damage.

Warranty

Improper use or incorrect positioning of this product by users may result in a shortened lifespan or damage, and any resulting damages are not covered by warranty or exempt from the manufacturer's liability. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is 24 months.

Disposal and recycling information

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be

handed over to designated waste collection points after the end of their life cycle. This ensures that WEEE waste is recycled and processed in a manner that protects valuable materials and safeguards human health and the environment.

Declaration of conformity

Hereby, 3mk Protection declares that the product complies with the relevant EU harmonisation legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
