USB cable

User manual

EN

Package Contents:
- Hyper Cable N-SERIES USB-C to Lightning 27W™
- Instruction manual

Technical Specification:
- Model Name: Hyper Cable N-SERIES USB-C to Lightning 27W™
- Model Number: CLW227W
- Color: White
- Connector Type: USB-C / Lightning
- Length: 2 m
- Maximum Current: 9V/3A
- Maximum Power: 27W
- Functions: power supply + data transfer
- Data Transfer Speed: 480 Mbps
- Material: Nylon braid + aluminum alloy connectors

How to Use:

1. **Check Compatibility**

Make sure one device has a USB-C port and the other has a Lightning port (e.g., iPhone, iPad, AirPods).

2. **Connecting**

Insert the USB-C end into the charger, laptop, or another power source.

Connect the other end (Lightning) to the Apple device.

3. **Power Supply and Data Transfer**
- Charging: Using a compatible USB-C charger, the device will start fast charging (up to 27W).
- Data Transfer: The cable supports file synchronization with computers equipped with a USB-C port.

4. **Disconnecting**

Always disconnect the cable by holding the connector – never by the cable.

Safety Warnings:
- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – possible risk of swallowing or electric shock.
- Do not overload the cable – use in accordance with specifications.
- Disconnect the cable when not in use.

Maintenance and Storage
- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cord.
- Regularly check the condition of the cable for damage.

warranty

Improper use or incorrect placement of this product by users may result in reduced lifespan or damage, and any resulting harm is not covered by warranty or shall not be the responsibility of the manufacturer. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is 24 months.

Disposal and Recycling Information

This symbol on the product, battery, documentation, or packaging means that products and batteries should be handed over to designated waste collection points after their end of life, as specified by local authorities. This ensures that WEEE waste is recycled and processed in a manner that protects valuable materials and human health and the environment.

Declaration of Conformity

Hereby, 3mk Protection declares that the product complies with the relevant community harmonization legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
