

## Memo Hug™

Phone holder

User manual

EN

### Product presentation:

3mk Memo Hug™ is an intelligently designed car mount for the air vent that remembers the size of the user's phone. Immediately upon placing the smartphone, it provides a perfectly fitted grip. No manual adjustments are necessary. It holds the device securely and steadily, while being gentle. You can hit the road.

### Set composition:

- 3mk Memo Hug™ car mount
- User manual

### Technical specification:

Model name: 3mk Memo Hug™

Model number: ME-H23

Material: PC + silicone

Mounting type: for car air vent

Compatibility: smartphones with a screen diagonal from 4.5" to 6.5"

Working orientation: vertical and horizontal

### Instructions for use:

#### Mounting the holder:

Slide the Memo Hug™ holder onto the air vent blade in the car, ensuring that the red clip goes in completely.

Rotate the knob clockwise to tighten the holder and secure it to the vent.

#### Placing the phone in the holder:

Press the release button and move the arm to the left to open the clamp.

While holding the button with your left hand, press the arm on the other side with your right hand to clamp the holder onto the phone.

Release the button – the phone will be securely mounted.

#### Removing the phone:

Turn the release roller with your thumb or press the button to loosen the holder's arm, then remove the device.

### Safety warnings:

Do not use the holder in a way that restricts visibility while driving.

Only mount on car air vents.

Ensure the phone is securely mounted before starting to drive.

Do not use the holder with devices exceeding the recommended size and weight.

Avoid contact of the holder with liquids and high temperatures.

### Recycling and disposal:

The product must not be disposed of with municipal waste.

Return the used holder to an electronic waste collection point or discard according to local plastic disposal regulations.

### Warranty:

The product is covered by a 24-month manufacturer's warranty for factory defects.

The warranty does not cover damages caused by improper use.
