

Hyper Cable N-SERIES ThunderBolt 4 240W™

USB cable

User manual

EN

Package contents:
- Hyper Cable N-SERIES ThunderBolt 4 240W™
- User manual

Technical specifications:
- Model name: Hyper Cable N-SERIES ThunderBolt 4 240W™
- Model number: CCB2240B-TH
- Colour: Black
- Connector type: USB-C / USB-C
- Length: 2 m
- Maximum current: 48V / 5A
- Maximum power: 240W
- Features: power + data transfer
- Data transfer speed: 40 Gbps
- Material: Nylon braided + aluminum alloy connectors

Instructions for use:

1. Check compatibility

Ensure both devices have a USB-C port supporting Power Delivery or Thunderbolt (e.g. MacBook laptop, Dell XPS, monitor, docking station, smartphone).

2. Connecting

Insert one USB-C end into the power source or Thunderbolt port.

Connect the other end to the device you want to charge or transfer data.

3. Power and data transfer
- Charging: Supports Power Delivery 3.1 – charging up to 240W (48V/5A), suitable for laptops and high-power devices.
- Data transfer: Transmission speed up to 40 Gbps (USB 4.0) – ideal for transferring large files, working with 4K/8K monitors and docking stations.

4. Disconnecting

Always disconnect the cable by gripping the end – never pull on the cable.

Safety warnings
- Avoid contact with water – risk of electrocution.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this voids warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – risk of swallowing or electrocution.
- Do not overload the cable – use it within parameters.
- Disconnect the cable when not in use.

Maintenance and storage
- Store the cable in a cool, dry place.
- Avoid excessive bending or twisting of the cable.
- Regularly check the condition of the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in reduced lifespan or damage, and any resulting damages are not covered by warranty or disclaim responsibility from the manufacturer. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is for 24 months.

Information on disposal and recycling

This symbol on the product, battery, documentation or packaging indicates that products and batteries should be handed over to designated waste collection points established by local authorities after their useful life has ended. This ensures that WEEE waste is recycled and processed in a manner that protects valuable materials and human health and the environment.

Declaration of conformity

Hereby, 3mk Protection declares that the product complies with the relevant EU harmonisation legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
