

Hyper Cable N-SERIES USB-C to Micro 10W™

USB cable

User manual

EN

Contents of the set:

- Hyper Cable N-SERIES USB-C to Micro 10W™
- Instruction manual

Technical specifications:

- Model name: Hyper Cable N-SERIES USB-C to Micro 10W™
- Model number: CMB310B
- Colour: Black
- Connector type: USB-C / Micro USB
- Length: 3 m
- Maximum current: 5V/2A
- Maximum power: 10W
- Functions: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + alloy aluminum connectors

How to use:

1. Check compatibility

Ensure that one of the devices has a USB-C port (e.g., charger, power bank), while the other has a Micro USB port.

2. Connecting

Insert the USB-C connector into the power source.

Connect the other end (Micro USB) to the device (e.g., smartphone, tablet, console).

- Power and data transfer
- Charging: Charging will start automatically.
- Data transfer: Devices may require confirmation of transmission, e.g., on the phone screen.

3. Disconnecting

Always disconnect the cable by holding the connector – never by the cable.

Safety warnings

- Avoid contact with water – risk of electric shock.
- Do not store the cable in places subjected to high temperatures.
- Do not modify the cable – risk of losing warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – possible risk of swallowing or electric shock.
- Do not overload the cable – use it according to its specifications.
- Disconnect the cable when not in use.

Maintenance and storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cable.
- Regularly check the condition of the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in reduced lifespan or damage, and any resulting damage is not covered by warranty nor is the manufacturer's liability neutral. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is 24 months.

Information regarding disposal and recycling

This symbol on the product, battery, documentation or packaging indicates that products and batteries should be handed over to designated waste collection points after use. This ensures that WEEE waste is recycled and processed in a way that protects valuable materials and safeguards human health and the environment.

Declaration of conformity

Hereby 3mk Protection declares that the product is in compliance with the relevant community harmonization legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
