

Hyper Silicone Cable™

USB cable

User manual

EN

Set contents:

- Hyper Silicone Cable™
- Operating instructions

Technical specification:

- Model name: Hyper Silicone Cable™
- Model number: White : CC2-100-01W / Black : CC2-100-01B
- Colour: White / Black
- Connector type: USB-C / USB-C
- Length: 2 m
- Maximum current: 20V/5A
- Maximum power: 100W
- Functions: power supply + data transfer
- Material: silicone + aluminium

Instructions for use:

1. Connect one end of the cable to the USB-C port on the charger or another power source.
2. Connect the other end to a compatible device.
3. The cable will automatically start charging and/or transferring data.
4. After use, disconnect the cable by holding the plug (not the cable).

Safety warnings

- Use only with devices compatible with USB-C.
- Avoid bending the cable near the connectors at sharp angles.
- Do not use the cable if it is damaged or has exposed wires.
- Do not expose the cable to water, extreme heat, or flames above 350 °C.
- Only charge devices that are compatible with the cable's parameters.

Maintenance and storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cable.
- Regularly check the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in a shortened lifespan or damage, and any resulting damages are not covered by warranty or exempt the manufacturer from liability. The warranty covers manufacturer defects and material flaws. The manufacturer's warranty is 24 months.

Information about disposal and recycling

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be

handed over to designated waste collection points established by local authorities after their useful life has expired. This ensures that WEEE waste is recycled and processed in a manner that preserves valuable materials and protects human health and the environment.

Declaration of conformity

Hereby, 3mk Protection declares that the product is in compliance with the relevant community harmonisation legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
