Set contents:

- Hyper Cable N-SERIES USB-A to Lightning 12W™
- User manual

Technical specifications:

- Model name: Hyper Cable N-SERIES USB-A to Lightning 12W™
- Model number: ALW212W
- Colour: White
- Connector type: USB-A / Lightning
- Length: 2 m
- Maximum current: 5V/2.4A
- Maximum power: 12W
- Functions: power supply + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminium alloy tips

How to use:

1. Check compatibility

Check if the devices have USB-A ports (charger/computer) and Lightning (iPhone, iPad).

2. Connecting

Insert the USB-A end into the power source. Connect the Lightning end to the Apple device.

The connected devices should start charging or transferring data.

3. Disconnecting

Always disconnect the cable by holding the connector – never by the cord.

Safety warnings

- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this voids the warranty.
- Do not use the cable with damaged connectors.
- Keep out of reach of children – possible risk of swallowing or electric shock.
- Do not overload the cable – use it according to its parameters.
- Disconnect the cable when not in use.

Maintenance and storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cord.
- Regularly check the condition of the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in reduced lifespan or damage, and any resulting damages are not covered by warranty or are unaffected by the manufacturer's liability. The warranty

covers manufacturing defects and material faults. The manufacturer's warranty is 24 months.

Disposal and recycling information

This symbol on the product, battery, documentation or packaging indicates that products and batteries should be transferred to designated waste collection points specified by local authorities after the end of their service life. This allows WEEE waste to be recycled and processed in a way that protects valuable materials and safeguards human health and the environment.

Declaration of conformity

Hereby 3mk Protection declares that the product complies with the relevant EU harmonisation legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
