Set contents:

- Hyper Cable N-SERIES USB-C to Lightning 27W™
- User manual

Technical specification:

- Model name: Hyper Cable N-SERIES USB-C to Lightning 27W™
- Model number: CLW0527W
- Colour: White
- Connector type: USB-C / Lightning
- Length: 50 cm
- Maximum current: 9V/3A
- Maximum power: 27W
- Functions: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminium alloy tips

Usage instructions:

1. Check compatibility

Ensure one device has a USB-C port and the other a Lightning port (e.g. iPhone, iPad, AirPods).

2. Connecting

Insert the USB-C end into a charger, laptop, or other power source.

Connect the other end (Lightning) to the Apple device.

3. Power and data transfer

- Charging: Using a suitable USB-C charger, the device will start fast charging (up to 27W).
- Data transfer: The cable supports file synchronisation with computers equipped with a USB-C port.

4. Disconnecting

Always disconnect the cable by holding the tip – never by the cord.

Safety warnings:

- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged tips.
- Keep away from children – risk of swallowing or electric shock.
- Do not overload the cable – use according to specifications.
- Disconnect the cable when not in use.

Maintenance and storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cord.
- Regularly check the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in shortened lifespan or damage, and any resulting damage is not covered by the warranty or the manufacturer's liability. The warranty covers factory defects and material faults. The manufacturer's warranty is 24 months.

Disposal and recycling information

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be taken to designated waste collection points appointed by local authorities at the end of their life. This ensures that WEEE waste is recycled and processed in a way that protects valuable materials and safeguards human health and the environment.

Declaration of conformity

Hereby, 3mk Protection declares that the product complies with the relevant harmonised community legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following internet address (3mk.global/manual).
