

Hyper Cable N-SERIES USB-A to USB-C™

USB cable

User manual

EN

Set composition:

- Hyper Cable N-SERIES USB-A to USB-C™
- User manual

Technical specification:

- Model name: Hyper Cable N-SERIES USB-A to USB-C™
- Model number: Black: ACB160B White: ACW160W
- Colour: Black / White
- Connector type: USB-A / USB-C
- Length: 1 m
- Maximum current: 20V/3A
- Maximum power: 18W
- Functions: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminium alloy connectors

Instructions for use:

1. Check compatibility

Make sure that one of the devices has a USB-A port (e.g. charger, power bank) and the other has a USB-C port.

2. Connection

Insert the USB-A connector into the power source. Connect the other end (USB-C) to the device (e.g. smartphone, tablet, console).

3. Power and data transfer

- Charging: The cable supports fast charging up to 60W – ideal for everyday use.
- Data transfer: Supports synchronisation with computers via USB 2.0.

4. Disconnection

Always disconnect the cable by gripping the connector – never by the cable.

Safety warnings

- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – possible risk of swallowing or electric shock.
- Do not overload the cable – use it according to the parameters.
- Disconnect the cable when not in use.

Maintenance and storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cable.
- Regularly check the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in a shortened lifespan or damage, and any such resulting damages are not covered by warranty or exempt from the manufacturer's liability. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is for 24 months.

Disposal and recycling information

This symbol on the product, battery, documentation or packaging indicates that products and batteries should be handed over to designated waste collection points at the end of their life cycle, as set by local authorities. This ensures that WEEE waste is recycled and processed in a way that conserves valuable materials and protects human health and the environment.

Declaration of conformity

Hereby, 3mk Protection declares that the product is in compliance with the relevant EU harmonization legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following web address (3mk.global/manual).
