USB cable

User manual

EN

Set components:

- Hyper Cable N-SERIES USB-C to USB-C 180° 60W™
- Instruction manual

Technical specifications:

- Model name: Hyper Cable N-SERIES USB-C to USB-C 180° 60W™
- Model number: Black : CCB260WK
- Colour: Black
- Connector type: USB-C / USB-C
- Length: 2 m
- Maximum current: 20V/3A
- Maximum power: 60W
- Functions: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminium alloy connectors

Instructions for use:

1. Check compatibility

Ensure that the devices you wish to connect have a USB-C port.

2. Connecting

Insert one end of the cable into the appropriate port on the device (e.g., charger or laptop).

Connect the other end to the second device (e.g., smartphone, tablet).

3. Power and data transfer

- Charging: The cable supports fast charging up to 60W – ideal for everyday use.

- Data transfer: Devices may require confirmation of the transmission, e.g., on the phone's screen.

4. Disconnecting

Always disconnect the cable by holding the connector – never the cable.

Safety warnings

- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – possible risk of swallowing or electric shock.
- Do not overload the cable – use it according to the specifications.
- Disconnect the cable when not in use.

Maintenance and storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cable.
- Regularly check the condition of the cable for damages.

Warranty:

Improper use or incorrect placement of this product by users may result in reduced lifespan or damage, and any resulting damage is not covered by the warranty or is excluded from the manufacturer's liability. The warranty covers manufacturing defects and material defects. The manufacturer's warranty is 24 months.

Disposal and recycling information:

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be handed over to designated local waste collection points after their useful life. This ensures that WEEE waste is recycled and processed in a way that conserves valuable materials and protects human health and the environment.

Declaration of conformity:

Hereby, 3mk Protection declares that the product complies with the relevant EU harmonisation legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
