

3mk Magnet Power Car Holder™

Phone holder

User manual

EN

Product Presentation:

The 3mk Magnet Power Car Holder™ is equipped with strong magnets that securely and gently hold the phone in place. It provides complete convenience and comfort of use, allowing easy access to the phone at any time. The product has a universal design and is suitable for use with any phone model.

Package Contents:

- 3mk Magnet Power Car Holder™
- Two metal mounting plates
- User manual

Technical Specifications:

- Model name: 3mk Magnet Power Car Holder
- Model number: 3MKMAGPO
- Mounting method: on the car's air vent, using a rubber clip
- Phone mounting: magnetically, using the metal plates
- Material: durable aluminium alloy + silicone elements, rubberised finish
- Angle adjustment: the holder features a rotating head with the ability to set it horizontally and tilt for user comfort
- Compatibility: All smartphones to which the magnetic plate included in the set is attached

Instructions for Use:

Mounting the Holder:

Place the holder on the car's air vent, securing it with the rubber clip. Ensure that the clip is securely positioned without blocking airflow.

Preparing the Device for Mounting:

Attach one of the included metal plates (attach it to the back of the phone or its case) to enable magnetic mounting.

Mounting the Phone:

Bring the phone close to the holder – the magnets will immediately attract it and secure it in place.

Position Adjustment:

With the rotating head, you can set the phone vertically, horizontally, at an angle, or at any other position as needed.

One-Handed Use:

Operation is very simple – just bring the phone close, and the magnet will securely hold it even during dynamic driving.

Safety Warnings

- Use only the metal plates supplied in the set to prevent damage to the phone or case.

- Ensure that the holder does not obstruct visibility of the road or block important car buttons.
- Regularly check the stability of the holder – mounting on a loose vent may increase the risk of the phone falling.

Warranty

Improper use or incorrect placement of this product by users may result in reduced lifespan or damage, and any resulting damage is not covered by the warranty or immune to the manufacturer's liability. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is 24 months.

Disposal and Recycling Information

This symbol on the product, battery, documentation or packaging indicates that products and batteries should be handed over to designated waste collection points for selective waste collection set up by local authorities after the end of their life cycle. This ensures that WEEE waste is recycled and processed in a way that protects valuable materials and safeguards human health and the environment.

Declaration of Conformity

Hereby, 3mk Sp. z o.o. states that this product complies with the relevant community harmonisation legislation 2011/65/EU. The full text of the declaration of conformity is available at the following internet address (3mk.global/manual).
