Set contents:

- Hyper Cable N-SERIES USB-A to USB-C™
- User manual

Technical specifications:

- Model name: Hyper Cable N-SERIES USB-A to USB-C™
- Model number: CAB218B
- Colour: Black
- Connector type: USB-A / USB-C
- Length: 2 m
- Maximum current: 9V/2A
- Maximum power: 18W
- Functions: power supply + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminium alloy connectors

Instructions for use:

1. Check compatibility

Ensure that one of the devices has a USB-A port (e.g. charger, power bank), and the other has a USB-C port.

2. Connecting

Insert the USB-A connector into the power source. Connect the other end (USB-C) to the device (e.g. smartphone, tablet, console).

3. Power supply and data transfer

- Charging: The cable supports fast charging up to 18W – ideal for everyday use.
- Data transfer: Supports synchronisation with computers via USB 2.0.

4. Disconnecting

Always disconnect the cable by holding the connector – never by the cord.

Safety warnings

- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – potential risk of swallowing or electric shock.
- Do not overload the cable – use it according to the specifications.
- Disconnect the cable when not in use.

Maintenance and storage

- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cord.
- Regularly check the condition of the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in a shortened lifespan or damage, and any resulting damage is not covered by the warranty or the manufacturer's liability. The warranty covers manufacturing defects and material defects. The manufacturer's warranty is 24 months.

Disposal and recycling information

This symbol on the product, battery, documentation or packaging indicates that products and batteries should be handed over to designated waste collection points for recycling after they have reached the end of their life. This ensures that WEEE waste is recycled and processed in a manner that protects valuable materials and human health and the environment.

Declaration of conformity

Hereby, 3mk Protection declares that the product is in compliance with the relevant Community harmonization legislation: 2011/65/EU. The full text of the declaration of conformity can be found at the following web address (3mk.global/manual).
