USB cable

User manual

EN

Package contents:
- Hyper Cable N-SERIES USB-C to USB-C 100W™
- User manual

Technical specifications:
- Model name: Hyper Cable N-SERIES USB-C to USB-C 100W™
- Model number: CCB15100W
- Color: Black
- Connector type: USB-C to USB-C
- Length: 1.5 m
- Maximum current: 20V/5A
- Maximum power: 100W
- Functions: power + data transfer
- Data transfer speed: 480 Mbps
- Material: Nylon braid + aluminum alloy connectors

Instructions for use:

1. **Check compatibility**

Make sure the devices you want to connect have a USB-C port.

2. **Connecting**

Insert one end of the cable into the appropriate port on the device (e.g., charger or laptop).

Connect the other end to the second device (e.g., smartphone, tablet, power bank).

3. **Power and data transfer**
- Charging: The cable supports fast charging up to 100W – ideal for everyday use.
- Data transfer: Devices may require approval for transmission, e.g., on the phone screen.

4. **Disconnecting**

Always disconnect the cable by grabbing the connector – never by the wire.

Safety warnings
- Avoid contact with water – risk of electric shock.
- Do not store the cable in places exposed to high temperatures.
- Do not modify the cable – this may void the warranty.
- Do not use the cable with damaged connectors.
- Keep away from children – possible risk of swallowing or electric shock.
- Do not overload the cable – use it according to specifications.
- Disconnect the cable when not in use.

Maintenance and storage
- Store the cable in a dry and cool place.
- Avoid excessive bending or twisting of the cable.
- Regularly check the condition of the cable for damage.

Warranty

Improper use or incorrect placement of this product by users may result in reduced lifespan or damage, and any ensuing damages are not covered under warranty or are not the manufacturer's liability. The warranty covers manufacturing defects and material faults. The manufacturer's warranty is 24 months.

Information on disposal and recycling

This symbol on the product, battery, documentation, or packaging indicates that products and batteries should be handed over to designated waste collection points after their service life ends. This ensures that WEEE waste is recycled and processed in a way that protects valuable materials and human health and the environment.

Declaration of conformity

Hereby, 3mk Protection declares that the product complies with the relevant EU harmonization legislation: 2011/65/EU. The full text of the declaration of conformity is available at the following website (3mk.global/manual).
